

37,000 Families Served!

IMPACT

106,516 pounds of food donated

\$278,520 total value of food donated

PURPOSE

Historic wildfires disproportionately affected low-income and migrant communities without access to federal and state resources. To strengthen the supplies of food banks in the hard hit areas affected by the wildfires of 2020, GAP sent crews up and down California & Oregon through out the second half of the year to deliver food and aid to 12 impacted communities.

ECONOMICS:

Every \$1 donated provided \$18.30 of direct aid!
